Westward Movement
ABC Book

Instructions:

✓ Every letter of the alphabet must be used unless otherwise stated.

✓ You will use a separate page (minimum 4.25 x 5.5) for each letter.

✓ Each page will have a letter, colorful illustration, a definition for the word (either from the glossary, a cited internet resource, or a dictionary), and the sentence where the word first appears in the textbook (if it can be found in the textbook).

✓ The illustration may be computer generated, hand drawn, or a magazine picture.

✓ Absolutely no pencil allowed on the final copy, unless it is traced with colored pencil, crayon, or marker.

✓ There should be an attractive, colorful, front and back cover for the book.

Criteria for Grading:

You will be graded by a rubric based on the following elements:

1. All letters of the alphabet are used.
2. All words associated with the letters of the alphabets are about Westward Movement.
3. All paragraphs are written correctly and give a clear explanation of how the word is connected with Westward Movement.
4. Every letter has a graphic that is drawn and colored, from a magazine, or computer generated.
5. All pages contain color and are neat.
6. Each letter has its own (4.25 x 5.5) page and there is a front cover and back cover.
